ABOUT ME

I was born and raised in Lucknow. I am a confident, pragmatic individual who loves family and believes in following traditions while keeping pace with changing times. I recently completed my post graduation from University of Lucknow. My Father runs an Electronics Business in Lucknow & my mother is a Home maker. I have two siblings my elder brother is Civil Engineer while younger one is Software Engineer.

EXPECTATION

I am looking for someone who is carrier oriented yet having sense of responsibility towards family and also knows to lead a productive and happy live. Having a great sense of humor is a definite plus. Someone who comes from a progressive family background with a modern outlook on life will be a good match.
